SUMMER POSTCARD

PASTOR'S LETTER

Greetings Grace!

This Month, we are being visited by Bishop Hee-Soo Jung! He is coming August 20th at 10:30am. Consider this an invite from me to you! There is nothing Bishop Jung would love more than to get to know you and get to know Grace through you! Now, Bishop Jung has many churches to visit that day so he will only be with us for 30-45 minutes. With that in mind, we only have an small window of time with him that day. So my invitation comes with a challenge. Postcards have a limited amount of space so you have to write about what really impacts you about the place you have been. So my challenge to you is to come on August 20th with your postcard of Grace UMC. Come and share those impactful stories and transformational events. My hope is that even in that short amount of time, Bishop Jung will be able to see Grace for who we are; a Joyous and Caring Christian Community.

SUMMER WORSHIP SERIES

DEAR PEOPLE OF GOD

We end our Dear Children of God series in the letter to the Hebrews. We will also use this as an opportunity to write our own stories here at Grace. Join us for Worship by The Water at Sherod Park at 9am (Grace UMC in the event of rain), FaceBook, YouTube, and vermiliongrace.com.

SPONSOR SPECIAL MUSIC AT WORSHIP BY THE WATER

A Note from The Finance Committee

Special music adds depth and meaning to any worship service. We are continuing the cherished tradition of inviting members of the congregation to sponsor the music for Worship by the Water. With a \$100 donation, you can dedicate the music for a particular Sunday in honor of a birthday, anniversary, special visitor, or in memory of a loved one. It's a beautiful way to celebrate meaningful moments and people in your life. If you would like to participate in this Music Ministry, please contact Patti Pirc and let her know which Sunday this summer you would like to sponsor. Your sponsorship and dedication will be acknowledged in the Sunday bulletin.
